VersiFlex & VersiFold™ Cart

SPECIFICATIONS

Unloaded	Width	Height	Depth	Weight
Cart	46.5"	47"	26.5"	78 lbs.
Max Loaded	Width	Height	Depth	Weight
VersiFlex Cart	46.5"	87"	26.5"	418 lbs.
VersiFold™ Cart	46.5"	47"	26.5"	222 lbs.

Applications:

This cart is designed to hold up to four VersiFlex/VersiFold™ sections stacked vertically. Side rails are provided at each end of the cart to help hold the sections in place.

Primary Structure:

This cart's tubing is designated as 1-inch outside diameter with .083 wall thickness, comparable to 13-gauge material.

Casters:

The casters are 6-inch fixed, swivel and locking swivel.

The wheels are made of polyurethane, which is non-marring.
