

## SteelCore™

### Resin Chiavari Chair

Mity-Lite's new SteelCore™ Resin Chiavari chair combines classic elegance with unexpected durability. Thanks to steel piping that runs throughout the legs and chair frame, you'll get the strongest, most stable Chiavari chair available! SteelCore™ Resin Chiavari chairs are perfect for use in the ballroom, dining area or for any event where the classic Chiavari look is desired.

#### Benefits:

- Specially reinforced for better performance
- Greater stability means reduced liability
- Interstacks with most wood Chiavari chairs
- Color is consistent throughout entire chair
- No sanding or painting needed
- Holds 1,000 lbs. static load
- Three-year warranty

#### Features:

- Steel reinforced legs and back for better stability
- Maximum strength, 100% premium resin construction for long life
- Durable finish reduces maintenance costs
- Non-stick & anti-static treated for easy cleaning
- UV protected to prevent fading & discoloration
- Available in Gold, Silver, White and Black
