

SteelCore™ Resin Chiavari Chair

Seat Height	Overall Height	Width	Weight	Seat Depth	Footprint
18" (45cm)	36" (93cm)	16" (40cm)	13 lbs. (5.3kg)	16" (40cm)	15 1/3" L x 16" W (39cm x 41cm)

Legs and Frame: Rear frame has a large nesting channel to provide strong support for the seat. Front frame has a cross nesting bar for enhanced stability.

White & Black Chiavari Chairs: Chair legs, leg rungs and frame are made from polypropylene resin (co-PP + UV stabilizer and Antistatic agent).

Gold & Silver Chiavari Chairs: Chair legs, leg rungs and frame are made from ABS resin (including UV stabilizer and Antistatic agent).

Steel Core: Chair back, front legs and back legs are reinforced with an internal steel core for added rigidity and durability.

Seat: Chair seat is manufactured from polypropylene (White & Black chairs) or ABS resin (Gold & Silver chairs.)

Frame Finish: All chairs have a no-maintenance resin finish that eliminates the need for sanding or repainting. Gold and Silver chairs have an additional metallic bake-finish for even color & texture plus UV protection.

Hardware: Frame and legs are attached to corresponding frame members using 18mm x 341mm stainless steel bolts.

Stacking: Chairs stack up to 7 high for storage. Stacking density is 36" for the first chair, and 8 1/2" inches thereafter. Maximum stack height is 7 chairs. Forward progression of each chair as it is stacked is 1 3/4".

Colors: Chairs are manufactured in White, Black, Gold and Silver.

Performance Specifications: Chairs were successfully tested to 1,000+ lbs. in a static load test.

Warranty: SteelCore™ Resin Chiavari chairs are warranted to be free from manufacturer defects in materials and workmanship under normal use, service, and handling for a period of three (3) years from the date of purchase.
