Versifold™

Introducing Versifold and Versipanel, the most lightweight, durable room partitions on the market today!

Want more versatility?

Our easy-to-use Versifold room dividers will help you maximize unused facility space. Create additional classrooms and meeting areas—plus enhance your workspace with our optional chalkboard and whiteboard accessories.

FEATURES & BENEFITS

- Lightweight and portable
- Free standing
- Stable and safe—no finger pinching
- Easy setup and storage
- Acoustical ribbed fabric absorbs sound (80% of the human voice)
- Powerful rare earth magnets to connect multiple panels
- Self healing

USES

- Portable classrooms
- Room divider
- Sight barrier
- Tradeshow booth
- Rehearsal room
- And much more!

If you're looking for greater flexibility and versatility, Versipanel and Versifold will help you create your own personalized space.
