

# Versipanel™

**New!**  
from Mity-Lite

**Introducing Versipanel and Versifold, the most lightweight, durable room partitions on the market today!**

## Need a little flexibility?

With building costs on the rise, customers are looking for ways to maximize their existing facility space. With Versipanel, you can easily create additional office space, portable classrooms and temporary meeting areas. You can even change the look and feel of your building with moveable accent walls and partitions.

## FEATURES & BENEFITS

- Lightweight and portable
- Free standing
- Stable and safe—no finger pinching
- Easy setup and storage
- Acoustical ribbed fabric absorbs sound (80% of the human voice)
- Powerful rare earth magnets to connect multiple panels
- Self healing
- Available in a variety of heights and lengths

## USES

- Office space
- Meeting rooms
- Study area
- Sound barriers
- Moveable recording studio
- Portable dressing rooms
- Crash pad
- And much more!
